

## FEATURES & BENEFITS

If your business uses company cars, vans or trucks and travels locally or regionally, you can lower your fuel costs today! Start using Fleet One® Local fuel cards instead of debit/credit cards, and benefit from:

**Fuel Cards** with no transaction fees; replace cash and credit cards for fuel and maintenance expenses.

**Reporting** to monitor driver fueling activity and vehicle data online in real-time, with line-item detail on every transaction.

**Online Account Management** that helps you track purchases online, identify and/or prevent unauthorized transactions and perform routine account maintenance.

**Tax-Exempt Billing** for federal taxes on gas and diesel purchases for eligible fleets.

**Fuel Rebates** for eligible fleets.

**GPS Vehicle Tracking** to monitor your mobile assets.

**Maintenance** and fuel purchases with your Local card on a simple, bundled invoice.

### Fleet One Brings Big Benefits To Your Business!

Fleet One means fewer fleet management hassles and more time & resources to focus on your customers. Features of our card include:

**Enhanced Purchasing Control.** Local cards help you control what your drivers buy with company funds and how much they spend.

**Security.** Local cards can only be used at the point of purchase and require a 4-digit driver ID for authorization.

**Savings.** Less fraud = more savings. You control driver spending, so you can tailor purchase habits to fit your budget. Plus, you get free online reporting!

**Convenience.** Nationwide fuel & maintenance accepting locations are just down the road. We also offer flexible weekly or monthly billing and easy to read reports.

**The Best Service In The Industry!** Customers aren't "numbers" at Fleet One. We deliver world-class service through friendly, always available Customer Care.

Sign-up for Fleet One Local today and discover a better way to manage your fleet of vehicles!
